President's Letter

Welcome!

As President of the Utica Roadrunners and on behalf of the over 500 club members, I am happy to welcome you as one of the newest members of the Utica Roadrunners and the Road Runners Club of America. The Utica Roadrunners not only run together but also volunteer together. We are a highly-motivated group, both in running and community activities. We are very proud of our record of promoting health, personal fitness and athletic achievement through running.

We have a diverse membership, which includes the ultramarathoner to the non-competitive recreational runner. We have some walkers, too. We are husbands, wives, children, teachers, doctors, secretaries, and retired persons – and much more. You will find that from the very fast to the not so fast, from the very young to the not so young – “There’s a place for every pace” in the Utica Roadrunners.

You will have the opportunity to craft your membership into the level you wish. Some of us join several times per week to run and volunteer. Other club members may only join in weekly or monthly and that’s ok too. We have several activities that carry us through the year. These include working on our Boilermaker Training Program and our continuing trail renovation project in the South Woods portion of the Utica Park system. We help other community events such as the Boilermaker Road Race and Tunnel to Towers. We also have our own races and we help other groups with their races.

Again, welcome to the Utica Roadrunners. Look for more on our website at www.uticaroadrunners.org, including our member forum and comprehensive Race Calendar. Business meetings are held on the second Monday of the month at the Utica Boilermaker Office. Feel free to e-mail me at rubino.uticaroadrunners@gmail.com if you have any questions.

Sincerely yours,
Andrew Rubino

CNY RUNNING CLUBS CUP

This friendly competition is held annually among the Kuyahoorra Kickers, Mohawk Valley Hill Striders, Roman Runners, Toe Path Trekkers, Route 20 Roadies, and the Utica Roadrunners. In a series of designated races throughout the season, each club's members will compete on an age-graded basis against the five other clubs. By using age grading, anyone in a club could find themselves contributing to the club's success in any given race. There are no gender or age distinctions. The Cup is truly open to all members. The best five results by each club's members in a race will be compared to the other clubs and points awarded on a descending basis, with six points to the best, five to second and so on down to a single point. At the end of the year, the club with the most points wins the CNY Running Clubs Cup and bragging rights for a year.

To make this work, the race registrations for a Cup race will now include a question about club affiliation, and that information will be included in the race results. People who are members of more than one Cup club should be aware that the first club you compete for in a year is the club you will represent for the rest of the year.

NOTE: The UR team is made up only of members who respond in the affirmative to an email survey in the first quarter of the year, asking if they want to be on the Cup team. Team members must also be in good standing with the club by March 31st. For information, contact James Kuny at james.kuny@gmail.com.

SOCIAL GATHERINGS

Various types of social gatherings are coordinated by members on a regular basis. These include occasional family-friendly social events and monthly happy hours. These will be advertised to the membership through our social media channels. Contact Melissa Barlett docbarlett@gmail.com with ideas or questions.

Communication

NEWSLETTER

Our club newsletter, *SpliTimes*, is published monthly. A link is e-mailed to each member household. It contains a calendar of upcoming club events, meetings, club runs, a schedule of area races, race results, running articles, and many other news items of interest to members.

If you have any articles, announcements, or news items that you would like to have included in the newsletter send them to Michelle Truett, c/o Utica Roadrunners, P.O. Box 4141, Utica NY 13504 or email Michelle at michelle@484design.com. The submission deadline for articles is the 15th of each month for publication at the start of the following month. Deadline for race announcements is the first of the month before the race month.

Member Information and Benefits

DUES

Dues are \$25 for an Individual Membership, \$30 for a Family Membership of two, or \$40 for three or four. A "Family Membership" means three or more members sharing the same address.

Dues are payable on a calendar year basis and are due January 1st. Deadline for payment is January 31st. Membership privileges (including the Newsletter!) may be discontinued if dues are not received by the deadline, and persons delinquent after February 28 are removed from the membership list, are ineligible for the Grand Prix until dues are paid, and are discontinued from receiving the *SpliTimes*.

New members joining October 1st and after pay the full membership fee but will not be re-assessed for the following year.

CLUB MERCHANDISE

Club clothing, including tank tops, shorts, tech shirts, and more is available at many Club events, at the Sneaker Store, and by contacting the Merchandise Chairperson, contact info listed above. Online pop-up stores to purchase merchandise may sometimes be available and will be advertised through Club social media channels.

RED JACKET AWARDS

Members of the club who complete at least 1000 miles of running or walking as a member during a single calendar year for the first time and have accumulated 10 volunteer points within the prior two years are awarded a special club jacket with "1000 MILE CLUB" and their name or nickname embroidered on the front. If a member earns 30 volunteer points in a single year, but does not complete 1000 miles, they could be given an "Extra Mile Club" jacket. The point system for earning a club jacket will be based on the volunteer points as listed below. Members earning both awards will have the second award as a patch on the original jacket.

Mileage must be verifiable from a personal running/walking log and reported by January 15th of the following year. A form for reporting mileage and volunteer points will be provided in the December newsletter or can be obtained from Melissa Barlett at docbarlett@gmail.com.

Members of the 1000-MILE CLUB who complete 1000 miles or more during subsequent calendar years after earning their jacket will receive mileage chevrons that may be sewn on their jacket sleeve. Chevrons are awarded in 100-mile increments from 1000 and upward.

Red chevrons will be given for mileage designated as run or run/walk accumulated within a calendar year. A blue chevron will be given for mileage designated as walk only accumulated within a calendar year (first begun in 2022). Both of these can be earned in a single year if both totals are 1000 miles or more. The walking log must follow the same guidelines as the running log.

Our club jacket is a red micro-fiber shell with a lining and carries the club name and logo on the front. The member's name or nickname can be custom embroidered on the front.

National Affiliations

Our club enjoys the benefits of membership in both USA TRACK & FIELD (USATF) and the ROADRUNNERS CLUB of AMERICA (RRCA), the two major national running organizations in the United States. The Club is also a Founding Member of the National Distance Running Hall of Fame.

USATF

USA Track & Field "USATF" is the national governing body for the sport of long distance running, track & field, and race walking and, as such, is the United States' member of the INTERNATIONAL AMATEUR ATHLETIC FEDERATION (IAAF). USATF's responsibility and purpose are to develop interest and participation in the sport, minimize conflict in race scheduling, and establish rules for competition.

The ADIRONDACK ASSOCIATION of the USATF is one of 56 regional associations that compose USATF. Our club is one of about 27 member clubs that make up the Association. We are club number 213. You will need to know this if you plan to apply for an individual USATF number for competition. You will need one if you plan to compete for awards in USATF Championship races, and some of the larger marathons require applicants to have a USATF number.

RRCA

The ROADRUNNERS CLUB of AMERICA (RRCA) is a national organization of over 500 clubs located in 50 states, and represents over 120,000 individual members. Our club is a member club (club number 175) within the Eastern Region of the RRCA. The RRCA is not a governing body like USATF, but was formed by runners and for runners to promote the sport and to establish guidelines for the conduct of sanctioned races.

The RRCA publishes *ClubRunning*, a quarterly newsletter that is emailed to all members in February, May, August, and November. If you are not receiving your copy, contact the Membership Director.

Other Questions/Concerns

If you have any further questions about our club, please contact any officer or board member. They will be glad to help make your membership in the UTICA ROADRUNNERS club a rewarding activity.
